

**POW**  
**BIKE 08-09**

**POW**  
**BUILT TO LAST**

# FREMONT

Feel like a winner and nothing less when you poach your last line straight to the pub for victory beers. The tactile low profile grip keeps your hands on both the bars and the bevies.

## Features:

- Ultra Light Weight
- Amazing Dexterity
- Low Profile Gasket Cuff
- Cuts Through Bullshit

## Materials:

Shell: Stretch Corded Nylon  
Palm: Silicon Grip Printed  
Clarino®

# SKINNY

POW gives more control and perfect dexterity for the art of riding by fashioning a super bomber but breathable backhand with a light and durable palm.

## Features:

- Ultra Light Weight
- Amazing Dexterity
- Low Profile Gasket Cuff
- Attracts Mates

## Materials:

Shell: Stretch Corded Nylon  
Palm: Silicon Grip Printed Clarino®

# SLICK

From mountain biking to spring days in the snow park, the Slick offers great breathability, traction and crash protection.

## Features:

- Light & Bomber
- Knuckle Padding
- Low Profile Gasket Cuff
- Tutors Math Skills

## Materials:

Shell: Polyester Mesh  
Palm: Silicon Grip Printed Clarino®

# OZONE

POW gives more control and perfect dexterity for the art of riding by fashioning a super bomber backhand with a reinforced palm.

## Features:

- Reinforced Construction
- Padded Backhand
- Textured Palm
- Pays College Tuition

## Materials:

Shell: Corded nylon and Neoprene  
Palm: Reinforced Clarino®

# HIGH FIVE

Super light backhand and grippy palm enhance the culture of being alive - the High 5 encourages you to accomplish things that are worth celebrating.

## Features:

- Tear Resistant Backhand
- Super Sticky Grip
- High 5 Victory Print
- Feel Like a Winner

## Materials:

Shell: Corded nylon

Palm: Clarino® with Silicon Print

# MUSTAGHEO

A nice stash comes in handy when tracking cougars, posing for photos and of course buying beer when you forgot your ID. Choose the best one for the job at hand, so to speak.

## Features:

- Low Profile Wrist Cuff
- Sturdy & Grippy Palm
- Finger Mustaches
- Look Dead Sexy

## Materials:

Shell: Corded nylon with Softshell  
Palm: Clarino® with Silicon Print

# SHOCKER

Ultra thin 4 way stretch nylon allows for nice air-flow in the heat of the action. This glove will pull chicks, so if you are debating which glove to get, ask yourself if you want to pull chicks or not.

## Features:

- Light & Bomber Construction
- Super Shocker Palm Print
- Multi Functional
- Chick Magnet

## Materials:

Shell: Corded nylon  
Palm: Clarino® with Silicon Print

# HYPERVENT

Air conditioning is a must for those cranking the hills so you don't blow a gasket. The palm is moisture wicking to maintain your leverage.

## Features:

- Thin & Breathable
- Amazing Dexterity
- Low Profile Gasket Cuff
- Settles Disputes

## Materials:

Shell: Mesh Nylon  
Palm: Silicon Grip Clarino®

WOMENS
